

Justice Peace and Integrity of Creation Ministry

In coordination with Black History Month, the JPIC USA Team is inviting everyone in the Bon Secours family – Co-Workers, Associates, Young Adults, Volunteer Ministry -- to participate in the 21 Day Ignatian Racial Equity Challenge from the Ignatian Solidarity Network. For 21 days we will be challenged to “enter the complex world of understanding the realities of racial injustice and anti-blackness in the US.” A daily email will be sent to you with “resources that invite us to learn, pray, and act on a particular racial justice topic.” You can do it individually, or consider doing it together as a group of coworkers, friends, or family. We will hold a special debriefing/processing session for all participants in March, at the conclusion of the challenge, to share learnings and have a time to hear from each other.
