Bon Secours Young Adults Vision Statement

Bon Secours Young Adults are a community of people in their 20's and 30's, single and married, centered in relationship with Jesus Christ and committed to being the Good News of compassion, healing, and liberation.

Nourished by and flowing from our love for God and each other we are:

- *Community*: Joyful and diverse we come together in prayer, laughter, creativity and hope ready to offer welcome, support, encouragement, challenge and companionship to each other and all whom we encounter.
- *Faithful*: As developing leaders connected to the Catholic Church through the charism and tradition of the Sisters of Bon Secours, we seek to embrace ever more fully our living faith in a loving God.
- *Servants*: Called to be “good help to those in need,” we are dedicated to “defending and caring for all of creation and to crying out with others against injustice and all that diminishes life on earth” as we seek to bring wholeness to body, mind and spirit in our communities and world.
